International bidders please note that we offer First Class Intl USPS service to help save you money but keep in mind that tracking can not be added to First Class shipments. The seller will not be held liable for any loss or damage to the item. By choosing First Class Intl Service from the options offered you are agreeing the seller can not be held liable for loss or damage to the item during shipping. In great working condition. Equiped with a correction key, cover for easy storage, built in handle to carry it, place on back to store the cord, and many other features. Read the demo sheet printed by this typewriter in the photos. No reserve, and FREE shipping! Seems to type fine, needs ink ribbon and correction ink ribbon, few blemishes, keypad cover has small crack, do not know what else it may or may not need, sold as is, no warranty, no returns. 1.RcmdId ViewItemDescV4,RlogId p4%60bo7%60jtb9%3Fuk.rp73%28b0g%60%60%3E113e9761c7ed0xf0 But it works like it was built for today. Tested and everything works. Types great. Good for those who dont want to use a computer or for those little jobs where a computer just makes the job harder. The picture of the document is the actual demo document printed from the typewriter in demo mode. Be sure to check out all the features listed below. This is what one user said This is a wonderful machine. I have used it gently for a few years to type special cards and labels after finding it at an estate sale and then ordering the special SCRIPT daisywheel and extra ribbon pack. Perfect for making an elegant envelope or tag with its unusual script font wheel. It has a cover with a handle. The. more cord stores in the back and allows you to adjust how much extends out. Handle is not solid as one side is chipped. The cord storage cover works but it is also chipped on one side. Otherwise. It seems to work as originally designed.

Key Features Dual pitch Prints either 10 or 12 characters per inch Interchangeable print wheels for fast and easy typeface changes Ribbons and correction tape are still readily available Full Sized carriage Oneline liftoff correction with relocation after correction Wordout button to erase an entire word with one touch Built in 5000 character storage memory Pictures are of the actual Item being auctioned. Free Shipping Just installed a brand new ribbon to test out. On startup. Machine has a slight 2 second grind, then settles in and operates fine. This is a common trait among older electric typewriters. Sorry for the spelling error I made on the word typewriter on my test page 2nd photo This unit includes the cover that goes over the keyboard. This offer includes a 2nd. Brand new cartridge. Centering, and other Automatic Features Hotpoint range not included Carefully packaged and promptly shipped. Shipping is based on weight and distance. Check out our other. Good luck if bidding! You must contact us or pay within 24 hours. Otherwise the item will be offered to the second highest bidder or relisted. If you think our charges are too high, send us a note and we will refigure. User Manual This is for a Brother AX450 Electronic Typewriter that was found in a storage locker. When i found it. The box was sealed, and looked like it was never used. Im listing and selling as used, because i have no way of knowing its past. I have never used an electric typewriter, so im in no way qualified to say its been tested fully. I plugged it in, and turned on the power and it seems to work the way it should. The

original packaging. I do not know if this typewriter was used by the previous owner. And sealed back up by them. If you have questions, please ask. It has not been tested beyond what I have described. I have many others in my other auctions. So be sure to check them out. Free Cross Sell, Cross promote, eBay Marketing, eBay listing Apps, eBay Apps, eBay Application. Posted with But only one ribbon is present, it looks to be in normal condition. I listed it as used because I was not sure, it may be unused. The one sticker tells how to do the self DEMO and that is what is in the picture of the white paper. What the typewriter typed itself. The only thing I see missing is the self correction tape. Has a built in carry handle and a cover for the keyboard when not in use. It has a spare letter wheel and a pack of 2 brother lift off correction tapes. **DISCLAIMER** We will describe the items to the best of our knowledge. We only guarantee the item will function as described upon arrival, after that there is no refund or return. Only what is pictured is included, if you don't see it you will not receive it, unless otherwise stated. Otherwise all items are sold as is. If you feel you need to leave a low DSR or a Neutral or Negative feedback please contact us so we can resolve the problem. International If the shipping calculator does not show a price we will not ship the item to your country. Shipping to Alaska and Hawaii will be extra.
